

RESURFACING AND NON-SURGICAL FACE LIFTING

(Level 3) Available February - May*

Microdermabrasion and colour therapy	£15.00
--------------------------------------	--------

Refining and rejuvenating intensive treatment which can help improve skin's texture and reduces the appearance of fine lines, scarring and uneven pigmentation.

Non-surgical lift	£15.00
-------------------	--------

An intensely effective current used to lift and firm the facial muscles and improve the appearance of fine lines and wrinkles.

BODY TREATMENTS

(Level 3) Available December - May*

Full body massage	£10.00
-------------------	--------

A manual massage for relaxation/improved circulation and skin condition/invigoration and personal wellbeing! Please ask if you would like us to include face and scalp.

Infra red and audio sonic	£2.00
---------------------------	-------

Infra red warms and softens the deeper tissues, alleviating tension and pain while stimulating the circulation. Audio sonic uses sound waves to penetrate deeply into knotted muscles – combine with full body massage for sheer relaxation.

Mechanical massage 'g5'	£10.00
-------------------------	--------

An intensely effective gyratory massager: excellent for reducing stubborn fatty deposits and cellulite. A highly stimulating treatment, which leaves the skin exfoliated and glowing.

ADVANCED ELECTRICAL BODY TREATMENTS

(Level 3) Available January - May*

Vacuum suction	£7.00
----------------	-------

Excellent for improving sluggish circulation, reducing cellulite and non-medical oedema while nourishing the skin.

Faradic	£7.00
---------	-------

Passive muscle contractions: a fantastic way to tone specific areas, improve contours and reduce inches!

Galvanic	£7.00
----------	-------

A highly effective treatment used to chemically deep cleanse, followed by deep penetration of beneficial ingredients, specifically selected for to re-balance the skin's deep tissues.

Microcurrent	£7.00
--------------	-------

Firming treatment, which helps, reduce the appearance of cellulite and stretchmarks.

EPILATION/ELECTROLYSIS

(Level 3) Available December - May*

Diathermy / blend method

Electrical epilation will permanently remove hair with regular treatments, by gradual destruction of the 'life source' for each hair treated. Only pre-packed sterile needles are used for your comfort and safety.

Single treatments	£2.00
-------------------	-------

Course of five treatments	£5.00
---------------------------	-------
