TERMS & CONDITIONS

To ensure a smooth and enjoyable experience for all attendees, please review the following terms and conditions when booking your school onto a Discovery Day at North Hertfordshire College.

Booking Process
All bookings must be made via the official Schools Discovery Day booking form.
https://forms.office.com/e/Bj5JQVEkPF

Final student numbers and session choices must be submitted via the Number Confirmation Form no later than two weeks prior to the event date.

Session Requirements
Students participating in Sport Taster Sessions must complete and return a PARQ (Physical Activity Readiness Questionnaire) form in advance and wear appropriate sports clothing to the session.

Please ensure you make a note of the min and maximum numbers for the workshops. These are there to maintain student safety and we are unable to increase any maximum numbers or decrease the minimum numbers for each workshop.

Supervision
Please ensure your students are aware of usual student behavioural expectations and behave in a polite and courteous manner to NHC staff and students on their visit. We operate a zero-tolerance policy regarding abuse of any kind.

All students must be accompanied by a member of school staff, in each workshop, throughout the event. School staff are responsible for student conduct and safety during the visit.

Lunch Arrangements
Students and staff are welcome to bring a packed lunch, or they may choose to purchase food from our student-run Deli (subject to availability).

Campus Locations
Please ensure you carefully check which NHC campus your selected sessions will take place at, as sessions are held across multiple sites. Typically, sessions run in the morning at our Hitchin campus, and in the afternoon at our Stevenage and ECC campuses.

Session feedback
In order to shape our offer and to be able to continue to offer our Discovery Days we require feedback from attendees as part of their involvement. We will send you a feedback form prior to the event which we ask you and your students to complete within a week of the Discovery Day.
